

Out of School Care Newsletter

June 2015

Hello Families:

It's the last month of the 2014-2015 school year. It's scary to see how much so many children have grown in height throughout the year, but also amazing to see how much they've developed creatively, emotionally and socially. We would like to thank the parents and families for your patience, communication and support throughout this school year.

Year End Activities:

Wednesday, June 24:

June/Summer B'day celebrations and Slip'n' Slide

Thursday, June 25:

Farewell and Glow Party

Please Note: **CLOSED FRIDAY, JUNE 26**

Happy Father's Day:

Father's day is on June 21st this month. We want to acknowledge all the fathers and other important men in the lives of the OSC children. Thanks for being there to support and care for them.

Farewells to OSC Children:

This year we will be saying farewell to Lee-Ann, Mica, Ria, & Zoe. We are excited for Lee-Ann and Zoe's graduation from Elementary school. We hope they have fun in high school! We'll see the returning children again in September.

Farewell to a very special OSC Staff:

Aggie has been with Sunset Community Centre for over 10 years. She's always bringing her energy to the class with art ideas, silly games and to the playground by joining in the play and games. Her enthusiasm and creativity will be greatly missed by us at OSC. She has decided to step away and focus on other goals and has plans for more travel.

We're wishing her the best in her upcoming adventures!
