Our Vision is a healthy community where diverse cultures thrive, and where everyone belongs and feels welcome to play, create and succeed in their own way.

Dear Community Members,

This summer has been one of the busiest and most exciting seasons in the history of the Sunset Community Association. Our summer day camps; licensed childcare, seniors' programs, and community events are in full swing as we proudly welcomed the opening of the new Sunset Seniors Centre.

The additional program has enabled us to expand services and introduce new opportunities for our community. One highlight has been our successful partnership with the Langara Registered Massage Therapy Program, providing affordable massage therapy for seniors and enhancing their health and well-being.

We also celebrated another successful Canada Day Community Celebration on July 1 and expanded our summer day camp offerings to serve even more local children and families.

Unfortunately, the Moberly Arts & Cultural Centre recently experienced a fire incident and is temporarily closed. To minimize disruption, all Moberly programs have been relocated to Sunset Community Centre until further notice. We sincerely thank our staff, instructors, volunteers, and participants for their patience, flexibility, and cooperation during this transition.

Looking ahead, we are encouraged by the City of Vancouver's commitment through the 2027–2030 Capital Plan to build a new 25-metre swimming pool and expanded recreation facilities at Sunset Park. This significant investment will benefit children, youth, families, seniors, and future generations throughout South Vancouver. We remain hopeful that the city, Vancouver Park Board, Provincial Government, and Federal Government will continue working together to bring these much-needed community facilities to fruition.

The opening of the new Sunset Seniors Centre has also increased pedestrian activity in the neighborhood. Following SCA's request, the city has directed staff to review the installation of a marked and controlled crosswalk across Main Street near the Centre to improve pedestrian safety. We sincerely thank Vancouver–Langara MLA Sunita Dhir for her support and advocacy in advancing this important community initiative.

This fall, we look forward to offering another exciting season of programs and events, including seniors' wellness activities, community meals, Diwali celebrations, Breakfast with Santa, arts and cultural programs, fitness classes, and much more. We invite everyone to participate and experience all that Sunset Community Centre has to offer.

On behalf of the Sunset Community Association Board of Directors, I extend my heartfelt thanks to our dedicated Park Board and School staff, community centre staff, volunteers, instructors, and my fellow Board members. Your hard work, commitment, and shared vision have made Sunset Community Centre a welcoming, inclusive, and vibrant gathering place for people of all ages, cultures, and backgrounds.

Thank you for your continued support.
We look forward to welcoming you and your family to Sunset Community Centre this fall.

Respectfully submitted,

Join our adventure, needles and thread in hand, into the botanical world. Social Stitching is not a weekly class, but a collaborative, drop-in hand sewing group focused on learning from each other while creating new works of art together. While the focus this season will be a large collaborative display panel inspired by the botanical world, participants will also be making smaller portable projects as well, including a pincushion, a fabric book, and a rice bag to store them in. All materials supplied, no previous experience required.

Introduction to Rug Hooking: Mindfulness through Making (19+ yrs)

Corinne Sanderson

Explore your inner creativity—and discover a meaningful chance to recharge—through the simple, relaxing, meditative, and rhythmic art of rug hooking. The rhythmic pulling of loops induces a therapeutic, flow-like state that can lower cortisol and grant deep cognitive rest. It is incredibly easy to learn (featuring only one stitch) and has “no mistakes” (loops pull right out). In this introductory course you will learn the basics of rug hooking, including a brief history of the craft and foundational techniques to successfully begin a small rug project. The goal of this introductory class is to teach students the basics of rug hooking and inspire you to discover your own unique creativity in a communal and supportive setting. Essential equipment and material is prepared and provided by the instructor.
